MISS JENNIE GOELZER
Commercial Department

Dedication

TO MISS JENNIE GOELZER

In the passing of Jennie Goelzer, North Division lost an outstanding teacher, and both students and faculty, a loyal friend. Miss Goelzer's excellent training gave her a splendid background for her work as an educator. She received her early training in the Milwaukee public schools after which she took her Bachelor's degree at Lawrence College where she was elected to the honorary fraternity of Phi Beta Kappa. Later she earned her Master's degree at Northwestern University.

But Miss Goelzer was more than a scholar. As a teacher, a co-worker, and a friend, she endeared herself to everyone because of her quick responsiveness in word and deed, her simple dignity, her tactful sympathy, and her complete unselfishness.

Because of her own high standards she inspired her students with the highest ideals for their personal lives as well as for their professional careers. No task was too great for her. No task was worth doing that was not worth doing well. She gave unstintingly of her time and energy to North Division with no thought of personal gain. Miss Goelzer was a counselor in the deepest sense.

Her cheerfulness, her kindness, her keen sense of humor, and her gracious manner won for her an ever increasing circle of friends, who will miss her companionship and unfailing helpfulness. "None knew her but to love her, none named her but to praise."

Jennie Goelzer lived her religion — a religion of love in its highest sense. She exemplified the thought expressed by Philip Brooks when he said, "No man or woman can really be strong, gentle, pure, and good, without the world being better for it, without somebody being helped and comforted by the very existence of that goodness."

We cannot say that she is gone but rather that she will always live in the hearts of all who knew her.

In Tribute to

MRS. ALICE KNIGHT

A graduate of the University of Chicago with Phi Beta Kappa honors, Mrs. Alice Knight is an example of the high scholarship, the lofty ideals, and the strength of character that has become tradition in a university that holds high rank among the leading schools of America.

Mrs. Knight's field is science, a field in which she has excelled as both a scholar and a teacher. Under her guidance here at North, the wonders of creation unfolded to the thousands of eager young students who attended her classes, and there were few whom her enthusiasm did not inspire to work for the love of learning rather than solely for a credit in biology; and to everyone who came under her tutelage, she was teacher, counselor, friend. She gave the best; she demanded the best. Her motto: "Hitch your wagon to a star."

For many years Mrs. Knight was head of the National Honor Committee and the Local Honor Committee. She was instrumental in organizing the Future Teachers' Club of North Division, the purpose of which is to encourage outstanding students to enter the field of teaching. In fact, there seemed to be no limit to the projects delegated to her competent management. A born executive, she performed every assignment efficiently and expeditiously; and no task was too small not to be worth doing well.

Yet, greater than all these, stands the nobility of her character, the warmth of her friendly personality, the depth of her understanding.

*"A perfect woman, nobly planned,
To warm, to comfort, and command."*

— Wordsworth

MISS MATILDA STOECKLE

*Gallant spirit, facing life
With its challenge and its strife;
Heeding not the winter's blast
Knowing spring will come at last,
Finding good in everything —
Always having heart to sing.
Gallant spirit, blithe and free,
Inspiration for us be!*

— A. Nyberg

Miss Matilda Stoekle, who holds a Master's Degree from Northwestern University, is a brilliant woman with rare ability in the field of creative art. Her approach to everything while here at North was so original that she was able to touch off the "divine spark" in the most prosaic mind. Thus, in all her English classes, the arduous task of theme writing became something of a joy and a challenge to the imagination. She seemed to have a gift for discovering hidden talent that might otherwise have remained forever buried.

Her untiring effort to develop in her pupils a pride in themselves, her faith in their inherent abilities and worth-while qualities, and her unswerving loyalty to North Division made Miss Stoekle one of our school's true builders.

Educational Services

MR. KARLSON
Curriculum Coordinator

AUDIO-VISUAL AIDS

Mr. Hall, A.V.A. Director, with the untiring effort of some sixty boys, makes possible the outstanding service in the realm of audio-visual aids that function so much in the instruction in our school. Literally films and records by the hundreds are made available to the teachers and classes to be used by them, as the teaching procedure and situations demand. To supply specific sensory experience in the learning process of North Division's students — for that, these modern tools of education have their utility function.

Audio-Visual Aids

MR. HALL
Director

CURRICULUM CO-ORDINATOR

The integration of all those activities that contribute to the improvement of daily instruction, the problem of curriculum development and the mutual sharing of information with other Milwaukee schools — all this is the purpose of the Curriculum Co-ordinator, Mr. Karlson. His purpose is, moreover, to keep abreast with curriculum developments and to provide for exchange information among other schools — both inside and beyond the Milwaukee schools — thereby promoting academic progress.

GUIDANCE

"Service" — The spirit of service is the constant interest manifested in the Guidance and Educational Service facilities that are offered for the assistance of each and every student of North Division High.

From the time the student is assigned to his first homeroom sponsor on through the student's school life at North, the guidance department stands ready to serve those who need assistance.

Mr. Brandel, North's guidance director for many years, was promoted to Vice-Principalship of Lincoln Junior High School. With his leaving us the second semester, Miss Chwalek, promoted to the Directorship of Guidance Department, has ably carried on with seeing that the department functions in aiding and supplementing work of the various advisers.

The department of guidance urges that both parents and students make use of the personnel services which the school offers.

North 0 — Custer 28

North started the football season by losing to a big, tough Custer team by a score of 28 to 0.

Arvid Johnson put on a one-man show for the victors as he ran for most of Custer's yardage. Custer led at the half by a score of 3 to 0, pushing ahead after Bill Reinicke, one of North's best men, was injured.

North 6 — West 31

Once again the Blue Devils suffered from the second half blues and bowed to West, 31 to 6. It was a rough and tumble game with North drawing first blood on a 10-yard scoring plunge by Tom Netzband.

West scored with a few minutes remaining in the second quarter, tying the score at 6-all at the end of the first half.

In the second half the undermanned North team could not hold and West went on to win.

North 6 — Bay View 34

In the third game of the season North lost to Bay View after holding the opponent scoreless in the first quarter only to have Bay View break away and score two touchdowns in the second quarter, one in the third, and two in the fourth. John Brisco scored for North on a six-yard plunge in the fourth quarter. North was the first team to score on Bay View.

North 6 — East 25

Once again North got off to a slow start and was downed by East, 25-6.

North's only score came after a 63-yard drive. Tom Jaster sparked the drive and bucked over from the one-yard line for the score.

SUSPENSE — WATCHING FOR THAT TOUCHDOWN!

YEA, TEAM! YEA, NORTH!

THE FIGHTIN' NORTH BLUE DEVILS!

WHISTLE! WATCH IT!

North 12 — Pulaski 24

Though North played one of its best games of the year, the fighting Blue and White lost to a tough Pulaski team by a score of 24-12. Pulaski capitalized on Blue Devil mistakes and scored all four of its touchdowns in the first half. Randy Evans, who played a brilliant game, scored for North on a 20-yard run in the second quarter.

In the second half North held Pulaski scoreless. Every Pulaski drive was thwarted by fine defensive play. In the fourth quarter, Randy Evans once again broke loose for a 49-yard run for his second score of the game.

North's Blue Devils, dejected and somewhat disappointed, of course, bore up well in spite of a lopsided score which concluded the game.

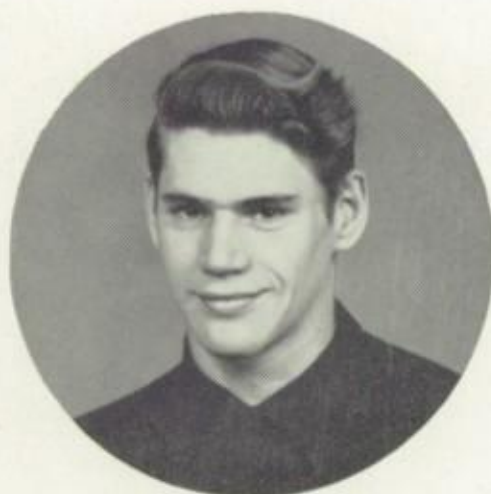

North 13 — King 14 — Homecoming

In one of the most thrilling games of the year, North was edged by Rufus King, 14-13. It was North's homecoming game and the boys tried their hardest. North got the ball on the opening kickoff and marched all the way down the field for a quick touchdown which was scored by Randy Evans. The extra point was made on a pass from Tom Jaster to John Brandstaetter.

In the third quarter King scored. Then our boys in Blue and White held for three downs but, ironically, on the fourth down King fumbled, the ball rolled into the end zone, and was recovered by King for the touchdown that gave them the victory.

ALL-CITY HONORS

JOHN BRISCO

North 6 — Juneau 38

A surprisingly strong Juneau team trounced North's Blue Devils, 38-6. John Brisco scored North's only touchdown on a 40-yard run in the third quarter.

North 6 — Washington 59

North lost the closing game of the season to the champion Purgolders. It was a case of North's just not being able to hold on to the ball. North scored its last touchdown of the year in the fourth quarter when John Brisco plunged across from the one-yard line.

All-City Football Honors

North placed two boys on the second all-city football squad. They were Bill Reinicke and John Brisco. "Big Bill" was one of the best tackles in the city, as our opponents who played against him will testify. He was outstanding on offense and defense. John Brisco was always a threat because of his great speed and his evasive running. He continually kept our opponents guessing with his end runs and fast line plunges. Although these boys played on a losing team, they both distinguished themselves with their fine spirit, aggressiveness, and skill on the gridiron.

THAT'S GETTING THEM!

North 63 — Custer 46

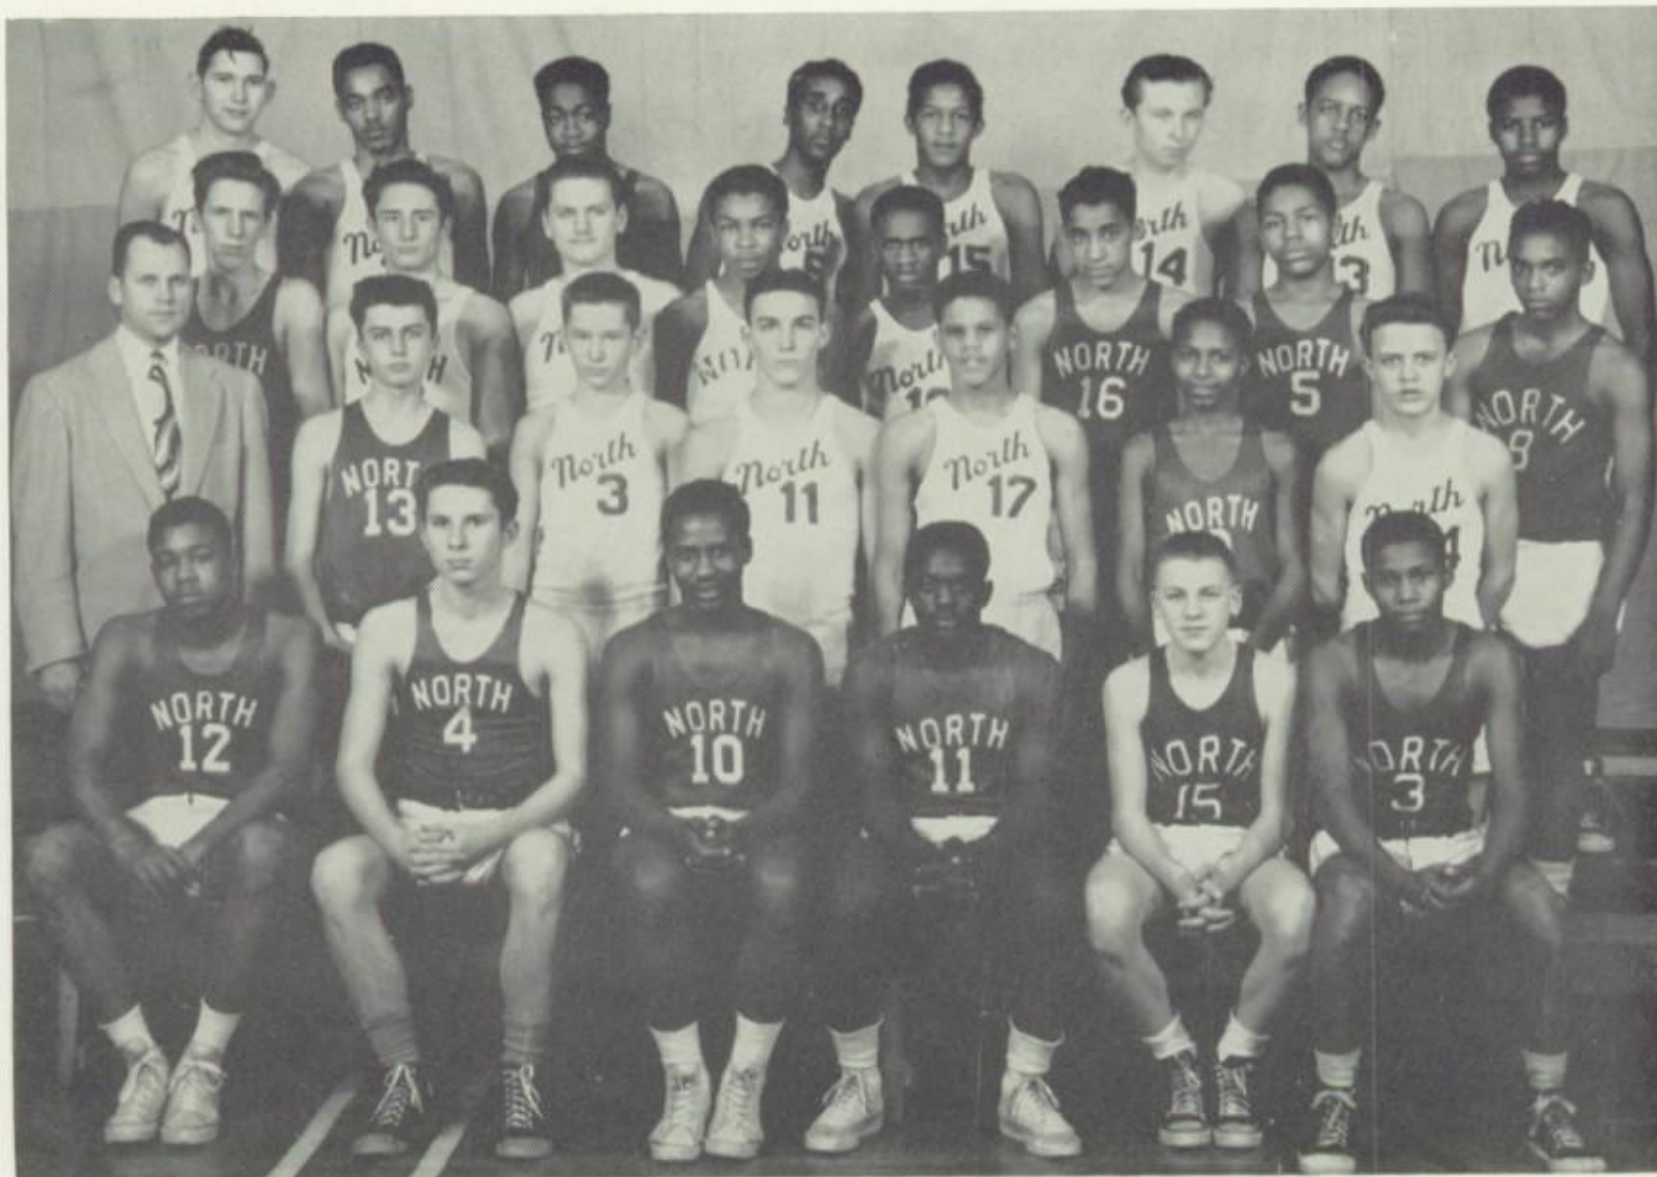

North opened its cage season with an impressive victory over Custer on the King floor, jumping to a lead early in the first quarter and never losing it as our Blue Devils outplayed Custer in every phase of play. Jim Grayson led the scoring with 17 points. He was followed by Bob Craft with 13 and Henry Sims with 11 points.

North 59 — East 65

In the second game of the season North was edged out by a tough East five in a hard-fought battle.

North outscored East in the first two quarters, but lost out in the second half with East's winning, 65-59.

Bob Craft took scoring honors for North with 18 points. He was followed by Jerry Buschke with 12 points and Jim Grayson with 10.

Top Row: R. Schaetzke, F. Williams, B. Rhodes, L. Justus, V. Williamson, G. Purins, L. Harmon, L. Smith.

Assistant Coach: Mr. Barnes

North 49 — South 69

North went down in defeat for the second time in a row when the Blue Devils met with the championship-bound South five. South just had a little too much of everything for North's team to outdistance. Jim Grayson, the only North player to score in double figures, was high scorer with 21 points.

North 52 — Tech 63

North went down against Tech with a score of 63-52 in its third defeat. It was a tough game from start to finish. The first quarter ended in a tie ball game, but Tech pulled ahead to an 11-point lead at half time. In the third and fourth quarters North and Tech played evenly as both teams scored exactly 29 points in the second half. Once again Jim Grayson was high scorer as he dumped in 15 points.

UP AND AT 'EM!

North 62 — Washington 60

North shed its losing streak by beating its arch-rival, Washington, in one of the closest games of the season.

North led at half time, 31 to 27, but Washington pulled to a ten-point lead in the third quarter as it outscored the Blue Devils, 25 to 11. North took over in the fourth quarter and overcame the ten-point deficit to win the game.

Jim Grayson dumped in 19 points for North, followed by Jerry Buschke with 13 and Bob Craft with 12 points.

North 58 — West 88

In crushing defeat, North bowed to a red hot West team by a score of 88-58.

The first half of the game was even with West leading by a score of 28-25 at the end of the half. In the second half West exploded, scoring 30 points in both the third and fourth quarters.

Jim Grayson and Bob Thomas led the North scoring with 11 and 10 points respectively.

North 50 — Juneau 56

North was humbled in its opening game of second semester play by a scrappy Juneau team, 56-50. Coach Don Trythall used the two-platoon system but to no avail. North led until the beginning of the fourth quarter when Juneau outscored North 14 points to 7 to win the game.

Bill Reinecke was high scorer for North with 11 points.

North 49 — Bay View 44

North got back into its winning form and defeated a tall Bay View five by a score of 49-44.

North overcame a Bay View lead in the second quarter, maintaining the lead for the rest of the game.

Jim Grayson led the scoring with 13 points, followed by Bob Craft with 11 and Bob Thomas with 10.

North 64 — Pulaski 58

A smooth-working North five defeated the scrappy Pulaski cagers by a score of 64-58.

Pulaski jumped to an early lead which it maintained until the end of the third quarter when North tied the score at 43 all. Jim Grayson then sank nine straight baskets to lead the fighting Blue Devils to victory.

Jim Grayson, North's star forward, scored the most points of his career as he captured scoring honors with 36 points.

North 56 — Lincoln 52

North extended its winning streak to three straight by beating a fast Lincoln team in a double overtime.

The North five trailed all through the game, but with less than a minute to go, Jim Grayson made a basket and Bill Wade pitched a free throw to tie the score at 47-all. In the first overtime, both teams scored three points, but in the second overtime, Grayson and Henry Sims made baskets to sew up the game for North. Grayson led the scoring with 13 points, followed by Sims with 10 points.

'TIS PART OF THE GAME

JUMPING FOR IT!

North 76 — Rufus King 64

In the final game of the season, North's red hot Blue Devils trounced Rufus King by a score of 76 to 64.

North led throughout the game, stopping every King rally with accurate shooting and excellent rebounding. Jim Grayson again took scoring honors with 22 points. He was followed by Clyde Bernhagen who had 14, Glen Neustedter with 13, and Jerry Buschke with 10 points.

Conclusion

North concluded its most successful season in three years by compiling a record of six wins and five losses, ending in third place in the City Conference standings.

Jim Grayson was North's outstanding performer and the sparkplug of the team. The spirit and determination of every member of the team were the vital factors which enabled the Blue Devils to have a winning team and do so well in the conference.

ALL-CITY BASKETBALL HONORS

Jim Grayson, star and sparkplug of North's team, was honored by being selected for the Milwaukee Journal's first string All-City team. As all basketball fans know, Jim was an all-around good player. He was sixth in scoring in the City Conference, one of the best ball handlers in the league, an excellent defensive man, and a fine rebounder. Jim, a Junior, has another year of fine basketball ahead of him. North's hopes anticipate a repeat of that honor next year.

Highlights of the Season

Willie Baker, Robert Hoskins, and Dave Rolfer placed well in all meets throughout the season. Injury and illness did much to cause inconsistency in the fourth and fifth places. Capable runners are still in school to make a very well balanced squad for next year. We are already looking forward to the 1954 cross-country season.

Tennis

Mr. Adamus, Coach

The tennis squad under Coach Adamus did a wonderful job of representing North this year. With only one letterman returning from last year, Mr. Adamus developed a "performing" squad. As the *Tattler* went to press, the team was in fifth place, ranking in the first division. The sparkplug of the team was John Himmelmann who had been beaten only once while winning six times.

As to next year's prospects, the team will have a fine nucleus of boys returning. High hopes for "net results" in another year are borne out with John Himmelmann, Tom Nitzsche, Bill Rueth, and Dennis Roeder—all experienced men who will return.

"Judges and timers ready?"

"Swimmers ready?"

"To your marks!"

"Bang!" So the North Division swimming team was off to a highly successful year which saw our Blue Gills place above the .500 mark. North placed fourth in city competition and tied Pulaski in the state meet.

The team hit its peak in the Little and Big City meets. In the Little City meet, Werth placed first in the 100-yard breast stroke, Nitzsche took first in diving, and Darling took second. In the Big City meet, Werth again took first in the 100-yard breast stroke and Nitzsche took second in diving. In the State meet at the Whitefish Bay pool, Werth took second in the breast stroke and Nitzsche took sixth in diving.

Paul Werth and Tom Nitzsche were honored by being named to the All-State swimming team. This is the first time this honor has been bestowed on boys from North.

North Division's gym team was idle again this year because the sport has been discontinued in the City Conference. Without hope of winning a letter, these boys gave their time to keep this sport in the school. In return, they developed muscular coordination and fine physiques. Coach Ristow believes the boys would have been top-notch in competition — had the sport been city-wide — with Jim Kusik, John Darling, and Anthony Eckstein to lead the way.

Track

Mr. Thompson, Head Coach

Mr. Barnes, Assistant Coach
 Mr. Fields, Assistant Coach

The track season started with great enthusiasm and hope for a balanced squad. Never before had North started the season with eight returning lettermen.

A dropped baton by our defending champions at the Journal Games; illness of "Devils" (name taken by lettermen); and inexperience of the "Hustling Souls" (name taken by the nonlettermen) at the State College meet—all these facts failed to show the unusual ability of the squad.

The first dual meet with Bay View, a school North had not defeated in a dual meet for twenty-eight years, indicated that the Blue Devils were on the way. In this meet North won eleven first places and ended with a score of $82\frac{2}{3}$ to $30\frac{1}{3}$ for Bay View. Robert Thomas set a new school record in both the high and low hurdles. Willie Baker bettered a school record in the 880-yard run that had stood for 39 years.

The result of the second meet was for North $82\frac{1}{2}$; Lincoln $82\frac{1}{2}$; Juneau 28.

Determination, caused by what was felt to be only an average showing in the triangular meet, accounted for the Blue and White two days later defeating South, 78 to 35. Again eleven firsts were taken.

Finally convinced of their ability, the Blue Devils took five first places in the Northside Relays, a meet that had long been dominated by Washington, at King Stadium. The scores of this meet were Washington 88, North 80, King 80, East 54, and West 52. The first places were in the broad jump where a new meet record was set; in the high hurdle, the low hurdle, the 440-yard, and in the 880-yard events.

The 880-yard relay team of J. Brisco, W. Baker, A. Malone, and E. Coleman set a new school record in this event. Boys on the winning relay teams were R. Thomas (4), J. Brisco (3), E. Coleman (3), W. Baker (2), J. Brandstaetter (2), G. Kolland (2), W. Wade (1), and A. Malone (1).

The season closed to the gratification of the school and all its participants.

where are the new frontiers?

...and what about the new worlds to conquer?

Every now and then you hear someone asking questions like these.

The people of Allis-Chalmers can give you some of the answers. They are looking for new and peaceful uses for the atom and building easier-to-use, more productive machinery for the farm . . . for industry . . . for earth movers . . . for the electric light and power companies.

At Allis-Chalmers this exciting search never ends. You find restless minds and busy

hands fashioning the tools of a brighter tomorrow.

Yes, we are truly optimistic about the future. Because of this, we are constantly interested in fresh, vigorous, imaginative young minds.

We believe that a partnership of inquisitive youth teamed with knowledge rooted in experience is the best way to shape the wonderful things that can come. Your school training helps open the door to the unexplored future.

Thriving plants with

80 YEAR ROOTS

Since 1874, the roots of the A. O. Smith Corporation have become firmly embedded in the soil of our American economy.

From a six-man, basement workshop in Milwaukee, 11 new plants have sprouted across the nation, with modern manufacturing facilities covering more than 500 acres.

These new plants have been a natural development stemming from a determined "search for a better way." Through research, A. O. Smith has pioneered many engineering firsts and improved products . . . for the home, the farm, industry and defense!

Imagination in research . . . highly-developed production skill . . . common sense management . . . constantly directed toward this "search for a better way" to lower costs and improve quality . . . from these roots come nourishing new ideas that keep plants thriving.

No plant, rooted 80 years ago, grows stronger, more virile today, even in the good soil and climate of a free industrial economy — unless its roots are *sound!*

Through research  . . . a better way
